## Here's what you should know:

**Location** - Nasarowaqa, Bua

**Registered** - 22 January 2019

**Members** - 13

**Key Objectives** - Develop and utilise idle land by using sustainable agricultural practices for the purpose of income generation.

## Integrated Farming Approach

*by Department of Co-operative Business*

**As a land and agricultural co-operative in a 5 year joint venture with the Fiji Sugar Corporation the land owned by the Mataqali Nukusolevu of Nasarowaqa village, Bua has generated income through an intergrated agricultural farming approach.**

**Chiefly focusing on income generation through utilisation of idle land, the Nukusolevu Co-operative Limited with the assistance of Fiji Sugar Corporation has successfully developed 103 hectares of vacant land by using sustainable agricultural practices, to integrate sugarcane and a variety of other cropping systems.**

**Overall, the Co-operative aims to reap similar added benefits through this existing joint venture with Fiji Sugar Corporation to generate income and develop rural livelihoods in a sustainable approach to create a positive change.**

**Till date, 2,087.65 tonnes of cane has been harvested with total income of \$177,450.00.**
